## **Podiums ceremonies**

### **Master of ceremonies**

A master of ceremonies will be appointed by the RAC Spa to conduct the whole podium ceremony.

The person in charge of podium ceremonies of each serie can meet him to discuss the procedure of the ceremony.

### **Podium ornament**

#### *A) Rostrum & dais*

The RAC Spa will set a podium background.

The RAC Spa will provide a board with the name of the serie, if the serie does not have its own board. It will be hung up at the fence in front of the rostrum.

The serie can place a podium background, but it must be made in accordance with the RAC Spa. Holes are totally forbidden.

Trophies and champagne will be laid out on a single table on one side of the podium.

#### *B) Flags*

Olympic games style “flat flags” will be used. RAC Spa will also provide the “flag men”.

#### *C) Floor*

The podium and steps will be covered with green carpet.

#### *D) Storage room*

A storage room will be at the series’ disposal to store the trophies.

### **Anthems**

A suitable sound system will be installed so that national anthems (initiated by the master of ceremony) are clearly heard.

When the champagne shower begins, music will be played. This won't start until the trophies presenters have left the podium.

A commentary of the podium ceremony will be broadcasted to the general public.

### **Trophies**

The trophies will be provided by the series coordinator and must show:

- the name of the series;
- the official name of the event;
- the driver's position

### **Scenario**

No police, bodyguards or non-authorized (by the master of ceremonies) persons are allowed on the podium.

The masters of ceremonies will inform the TV and public address commentator of the names of the persons presenting the trophies.

The master of ceremonies will be aside the podium, where the trophies are located.

The persons presenting the trophies will be on the other side. The master of ceremonies will hand the trophies to those presenting them.

### **Television**

The ideal position for the TV camera is immediately opposite to the podium and at the same height. There must not be any TV cameraman on the podium, and this, whatever the circumstances are.

### **Podium protocol**

No one meant to be present on the podium should be missing. The person has to come behind the podium about 5 laps before the end of the race.

As soon as the race is finished, they will have to take position on the podium.

When the drivers are on position, the national anthem of the winner will be played in full.

At the same time, the flags of the first, second and third drivers will be lifted.

Drivers cannot be congratulated before the beginning of the ceremony.

After the national anthem, the prize-delivery will begin immediately, with:

- Mr.....delivering the prize to the third driver of the race ;
- Mr.....delivering the prize to the second driver of the race ;
- Mr.....delivering the prize to the winner

Each delivery cannot exceed 10 seconds.

To let place for the champagne shower, everyone must leave the podium.
