Silverstone GP (National Pits)

Stewards Decision

From:	The Stewards	Date:	23-08-2025
To:	JHR Developments	Time:	10:34
Organising Club:	MSVR	Type of Event:	Circuit Racing - Car Race
Status:	International	Permit No:	201039

The Stewards, having received a report from the Race Director, summoned and heard from the driver(s) and team representative(s), have considered the following matter and determined the following:

Entrant:	JHR Developments (MSUK: 158175)
Session:	Race 1
Time (Fact):	15:02
Fact:	Entrants car collided with Team Member
Offence:	Breach of Article 9.7 of Supplementary Regulations – Appendix A
Decision:	Fine of £2000 (payable to Motorsport UK within 7 days)
Reason:	The Stewards heard from the Competitor's Representative following an incident which occurred in the Silverstone Pit Lane during Race 1 on 2nd August 2025. On-board and hand-held video of the incident was viewed. The Stewards noted that a mechanic from the Team was 'run over' by car 11 whilst attempting to have the car leave the pit lane. The Stewards particularly note the candour of the Competitor's Representative and his explanation of the root cause analysis and lessons learn from the incident. The Stewards were particularly pleased to note that the individual involved in the incident is reported to have no lasting injuries but all present have noted the potential the incident had for an inferior outcome. Having carefully considered the incident, the Stewards consider that a breach of the Supplementary Regulations has occurred and award the penalty shown.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code, within the applicable time limits.
