

## 2025 GB3 Championship

### Race Director's Notes V1 – Hungaroring GP, 3<sup>rd</sup> of July to 6<sup>th</sup> of July

#### 1. Timetable

The official GB3 timetable posted on the GB3 event noticeboard will be the definitive timetable used for the remainder of the event, the current version is V4.

#### 2. Race sessions – Movement procedure

- Teams must be ready in their awnings at the time specified in the official GB3 timetable.
- From there, GB3 personnel will call each car out of the awnings in grid order.
- The cars will proceed to the pre-grid area and line up in rows, in grid order.
- From the pre-grid, cars will be released directly into the fast lane, where they will remain until the pit exit light turns green. If a car enters the working area instead, it will start the race from the back of the grid.
- When the pit exit light turns green, the cars will proceed from the fast lane to the starting grid, maintaining grid order, and take their designated positions.
- Once the last car arrives on the grid, the 1-minute board will be shown, followed by the 30-second board, and then the formation lap will begin.
- The race start will follow the procedure communicated during the driver briefing.
