

GB3 Championship Monza

Stewards Decision

From:	The Stewards	Date:	18-10-2025
To:	Rodin Motorsport	Time:	15:46
Organising Club:	SIAS SpA	Type of Event:	Circuit Racing - Car Race
Status:	International	Permit No:	RM/51/2025

The Stewards, having received a report from the Race Director, summoned and heard from the team representative(s), have considered the following matter and determined the following:

Entrant:	Rodin Motorsport (MSUK: 368078)
Session:	Race 1
Time (Fact):	14:20
Fact:	Failure to follow Race Director's instruction
Offence:	Breach of Article 12.2.1.i of the FIA International Sporting Code
Decision:	Fine £250
Reason:	The Stewards summoned and heard from the Competitors Representative of Rodin Motorsport in relation to an alleged breach of the Race Director's instruction that only 2 mechanics per car were allowed to be on the grid during the race stoppage period that occurred between the first and second starts of the GB3 Race 1. The Stewards were advised that the Competitor had 3 cars on the grid and that only 6 of the team's mechanics were sent to the grid. The photograph showed one mechanic using a blower on car #12 and another two standing near. The Team Manager advised that he had had a technical difficulty with his radio and had not heard the Race Director's instruction and the Stewards note that this instruction was only delivered by radio message. The Stewards consider that the Competitor has failed to take appropriate steps to ensure that he receives radio communications with the Race Director and, accordingly, has breached this instruction. Although there is mitigation, the Stewards find that the Competitor has breached the Regulation and apply the penalty cited above.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code, within the applicable time limits.
